

CICE Open Seminar Series (179th)

Important or Just Trendy? The New World of Education Financing.

Seminar 2: Promising New Types of Financing for Education

This second seminar will build on the first that noted a lot of discussion of new types of financing for education in developing countries. It will consider four specific types of alternative and results-based financing that have potential in education: Development Impact Bonds, Loan Buydowns, The World Bank's Program for Results instrument, and Output-Based Aid. Advantages and potential issues with each will be discussed.

Nicholas Burnett Ph.D.

Nicholas Burnett, Visiting Professor at CICE, is Managing Director for Education at Results for Development and was formerly UNESCO Assistant Director-General for Education, Director of the Education for All Global Monitoring Report, and a senior World Bank manager for human development in Africa. He was one of the main authors of the report of the Leading Group on Innovative Financing's Task Force on Education.
