

HU-USM STUDENT FORUM 2015

GLOCALIZATION WITH YOU
~WE CAN CHANGE THE FUTURE~

Hiroshima university (HU) and Universiti Sains Malaysia (USM) will co-host a student forum in terms of society, education and peace.

HU is regarded as one of the highly reputable universities in the field of education in Japan, while USM is the top university in the area of technologies in Malaysia.

The selected students from both universities will make presentations about **Food Problem** and **Globalization** also share different perspectives and broaden their knowledge toward our sustainable society.

On 7th and 8th , the forum will be taken place at Faculty Club in Hiroshima University. Each group will deliver presentations and discussions and debates will be carried out.

On 9th and 10th, fieldwork will be conducted in relation to the presentation topics.

Throughout the 5 days forum, participants from both universities will share perspectives and seek an ideal society together.

Date: December 7th (Mon.)-8th (Tue.)
