| Jun. 4, 2018 | The 65 th Hiroshima University Biomass Evening Seminar (co-organization) |
| Jun. 6, 2018 | The 21 st HU-ACE Steering Committee Meeting |
| Jun. 19, 2018 | The 104 th Mechanical System Seminar (co-organization) |
| Jun. 19-21, 2018 | The 6 th International Conference for TMFB |

The 6th International Conference for TMFB

The 6th international conference for the Tailor-Made Fuels from Biomass (TMFB), which is one of the Cluster of Excellence (COE) projects in Germany, entitled "Tailor-Made Fuels - From Production to Propulsion," was held in Aachen, Germany from July 19 to 21. The conference started from the opening message from the coordinator, Professor Pischinger, and covered wide range of topics from the *production* of biomass to engine *propulsion* presented by the researchers in project member universities and invited specialists. One topical lecture on the green energy project in China was presented by Professor Zhang in Dalian University of Technology and Chinese Academy of Science.

Opening message by Professor Pischinger (RWTH Aachen, TMFB coordinator)

Issued by Advanced Core for Energetics, Hiroshima University
