Advanced Core for Energetics, Hiroshima University

Vol. 20  
2018.8

## Activities of the Core

- |                |   |
|----------------|---|
| Aug. 1-2, 2018 | The 3rd International Conference on Biomass |
| Aug. 23, 2018  | The 23rd HU-ACE Steering Committee Meeting  |

### Kids Energy Symposium 2018

Kids Energy Symposium 2018 was co-organized on July 28, 2018, Hiroshima University. There were totally 48 elementary school students and their parents joining the symposium. There was a presentation about Engine by Matsuda Co. and a quiz match was held. After that, students conducted three kinds of science experiment. We awarded prizes to excellent students on the quiz match. Matsuda Co. performed an experiment of combustion model of engine. We also distributed a crossword puzzle.
