Suggestions on Preparation and Review	Classes will be conducted on the assumption that students have prepared for class. (Students are expected to prepare for the next class by reading materials distributed in advance.)
Requirements	
Grading Method	<p>Grades will be comprehensively decided based on: quizzes in each class, assignments (including presentations in workshops), and attitude/participation in class.</p> <p><u>A makeup examination (exam or report) will be arranged only once.</u></p>
Message	This course is lecture-centered and designed to enable students to focus on listening, seeing and thinking by freeing them from copying notes from the whiteboard. Students are required to submit a report after each class.
Other	
<p>Please fill in the term-end class evaluation questionnaire.</p> <p>Instructors will reflect on your feedback and utilize the information for improving their teaching.</p> <p>Small classes will not conduct the questionnaire to prevent your identity from being uncovered.</p>
